1.0 Principles

1.1 Galileo Multi Academy Trust ('the Trust') is a company limited by guarantee, an exempt charity and a public body.

1.2 The Galileo Board of Trustees is mindful that it has an overriding responsibility to ensure that all statutory obligations to our pupils, staff, parents, the Department for Education ("the DfE") and the Education and Skills Funding Agency (the "ESFA") are met.

1.3 The Board's intention is to provide a framework via the Scheme of Delegation within which the Chief Executive Officer (CEO), Local School Boards (LSB) and Academy Head Teachers (HT) can make decisions to meet the needs of pupils, students and where appropriate, the wider community.

1.4 The Trust is a mixed multi academy trust, including academies which were formerly community schools without a religious designation and Church of England academies.

1.5 In line with the Trust's Charitable Objects, Church of England academies will be conducted in accordance with the principles, practices and tenets of the Church of England, both generally and in particular in the provision of religious education and daily acts of worship. In doing so, the Trust will have regard to any advice and follow any directives issued by the York Diocesan Board of Education ("YDBE").

2.0 The role of Members

2.1 The Trust, as a charitable company limited by guarantee, has Members, who have a similar role to the shareholders of a company limited by shares. They:

- Are the subscribers to the Trust's Memorandum of Association (where they are founding members)
- May amend the Articles of Association subject to any restrictions in the Articles, the funding agreement or charity law.
- May, in certain circumstances, appoint new Members or remove existing Members
- Have powers to appoint and remove Trustees in certain circumstances
- May by special resolution, issue direction to the Trustees to take a specific action or actions
- Receive the Trust's audited annual accounts (in accordance with the Companies Act 2006)
- Have power to change the name of the company and, ultimately wind up the Trust

2.2. The Academies Financial Handbook recommends that a majority of members should be independent of the Board of Trustees, to ensure a significant degree of separation between the individuals who are Members and those who are Trustees. Distinction between the two layers ensures that Members, independent of Trustees, provide oversight and challenge.

3.0 The role of Trustees

3.1 The Trustees are the charity (or non-executive)¹ trustees and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Articles of Association.

3.2 The board of Trustees is the legal governing body of the Trust and all of the academies within it.

3.3 The board must appoint, in writing, a senior executive leader to act as the Chief Executive Officer.

3.4 The Board of Trustees must act collectively. They do not have the power to act individually or in an executive capacity.

3.5 The Board of Trustees is the accountable body for the performance of all the academies within the Trust, and as such must:

- Ensure clarity of vision, ethos and strategic direction
- Hold the Chief Executive Officer to account for the educational performance of the academies and their pupils, and the performance management of staff
- Oversee the financial performance of the Trust and make sure its money is well spent.

3.6 Non-Executive Trustees have a statutory duty as company directors to exercise care, skill and diligence and to avoid conflicts of interest. They are also required to: act within their powers; promote the success of the company; exercise independent judgement; not to accept benefits from third parties; and to declare interests in proposed transactions or arrangements.

3.7 The Trust Board is permitted to exercise all the powers of the Trust. The board delegates to the Chief Executive Officer operational responsibility for the day to day operations of the Trust. The Trustees, through the Articles of Association, may determine whether to delegate governance functions through this Scheme of Delegation.

¹ The Articles provide that the Members may appoint the Chief Executive as a Trustee, however it is not anticipated that such an appointment will be made.

4.0 The role of Trust Board Committees

4.1 The Trustees have established sub-committees for the purpose of providing advice and support, informing the overall work of the Trust Board, however these committees are not legally responsible or accountable for statutory functions – the Trust Board remains the decisionmaking body with overall accountability and responsibility.

4.2 The responsibilities of board sub-committees are set out in their terms of reference.

4.3 The board sub-committees are: Finance & Resources, Audit & Risk, and Education Standards, Inclusion and Church

5.0 The role of the Local School Board (LSB)

5.1 It has been determined by the Trust Board that each Academy will have a Local School Board which has delegated responsibilities detailed in this Scheme of Delegation. The Trust Board may remove this designated role or remove or vary any delegations as set out in this Scheme of Delegation where it is of the opinion that this is in the best interests of the Trust and its academies.

5.2 The LSB plays a key role in the life of each Academy and is responsible for scrutinising the work of the Academy Senior Leadership Team.

5.3 The areas of scrutiny delegated by the Trust Board include, but are not limited to, the following:

- Standards
- Behaviour and attendance
- Safeguarding
- Special Educational Needs and Disability (SEND) / Looked After Children (LAC) / Pupil Premium (PP) □ Health and safety, premises
- Finance, compliance and value for money (VfM)
- Community Engagement

5.4. The Trustees shall obtain and give due regard to the advice of the LSB on those matters affecting the religious character of a Church of England academy that are not delegated to the LSB but are instead reserved to the Board.

5.5 The Trust Board has set the following parameters for the composition and membership of LSB;

- LSB compositions are proposed by the LSB and must be approved by the Trust Board

- There should be provision for at least two parent members to be elected, or otherwise appointed in accordance with the Articles. In the case of appointment, an eligible individual will be nominated by the LSB and appointed by the Trust Board. □ The Academy Head Teacher is a member of the LSB
- Up to 2 elected members of staff
- A specified number of Trust appointed members who will in general be individuals proposed by the LSB. Staff members can be appointed provided always that the total number of internal Academy staff on the LSB should not exceed one-third of the total membership.

Additional requirements for Church of England Academies:

- 25% of LSB members, being at least two such members, will be appointed by the York Diocesan Board of Education (YDBE) in accordance with the YDBE's appointment processes.
- All LSB members of Church schools shall be required to sign an undertaking in a form acceptable to the YDBE to uphold the designated religious character of the Academy.
- The LSB composition of Church schools require the agreement of the York Diocesan Board of Education.

5.6 An LSB should consist of at least eight (8) members and no more than fifteen (15) members.

5.7 LSB's may appoint associate members with a specific remit, for a fixed term of office: these members will not be entitled to vote or be part of any delegated decision-making process.

6.0 The role of the Chief Executive Officer (CEO)

6.1 The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies.

6.2 The CEO performance manages the Academy Head Teachers. The LSB should be involved in the performance management process.

6.3 The CEO, as the most senior executive in the Trust, is the Accounting Officer having overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money. Where the CEO is unavailable for an extended period the Trust shall appoint the CFO for an interim period.

7.0 The role of the Accounting Officer

7.1 The Accounting Officer must be able to assure Parliament, and the public, of high standards of probity in the management of public funds, particularly regularity, propriety and value for money.

7.2 The Accounting Officer must have oversight of financial transactions in line with the Academies Financial Handbook.

7.3 The Accounting Officer must complete and sign a statement on regularity, propriety and compliance each year and submit this to ESFA with the audited accounts. They must demonstrate how the Trust has secured value for money via the governance statement in the audited accounts.

7.4 The accounting officer must take personal responsibility (which must not be delegated) for assuring the board that there is compliance with the funding agreement and handbook.

8.0 The role of the Chief Financial Officer (CFO)

8.1 The Chief Financial Officer is responsible for the Trust's detailed financial procedures which are delegated by the Trust Board.

8.2 The CFO should lead the promotion and delivery of good financial management so that public money is safeguarded and used appropriately, efficiently and effectively.

9.0 The role of the Academy Head Teacher (HT)

9.1 The Academy Head Teacher is responsible for the day to day leadership and management of the academy.

9.2 The HT is held to account by the CEO but reports to the LSB on matters of scrutiny regarding academy performance.
