## Westgarth English Hub

RECRUITMENT 2026-2027

# WHO WE ARE

Westgarth English Hub is one of only 34 English Hubs across England, appointed by the Department for Education. We are recognised for our expertise in the teaching of reading and for the leading role we play in supporting schools to strengthen their provision for language and oracy, phonics, reading and writing, as well as developing a rich and sustainable reading culture. Our work is driven by a strong moral purpose. We focus particularly on supporting the lowest-attaining pupils, ensuring that every child succeeds, regardless of background, additional needs or ability. We believe that high-quality early literacy teaching is fundamental to equity, opportunity and lifelong learning.

As an English Hub, our support is grounded in the most up-to-date evidence and aligns with the three core aims of the English Hubs programme. We work alongside schools to evaluate, refine and strengthen their practice, building sustainable capacity and confident leadership in literacy. We collaborate with schools through intensive support partnerships, light-touch support and high-quality professional development. Our team of experienced Literacy Specialists bring strong subject knowledge, practical classroom expertise and a commitment to reflective, evidence-informed practice.

Westgarth English Hub supports schools across:

- Darlington
- Hartlepool
- Middlesbrough
- Redcar and Cleveland
- Stockton-on-Tees
- Sunderland

These individuals will have a strong educational background, hold all relevant qualifications, and bring significant experience in literacy, although they may not be currently employed within a school setting.

All applications must include a supporting statement from the applicant's Headteacher, confirming their commitment to release the member of staff for the required time.
